

KANSO<sup>®</sup> hidden  
Sound Processor

THE JOY OF HEARING found

The Cochlear<sup>™</sup> Nucleus<sup>®</sup> KANSO<sup>®</sup> Sound Processor is...

SMART

The world's only off-the-ear sound processor<sup>2</sup> to feature

2 microphones

Research has proven that two microphones provide

**SIGNIFICANTLY BETTER**

hearing performance in noise than one microphone.<sup>3</sup>

SIMPLE

Convenient solutions to

**CONNECT WIRELESSLY**

with Cochlear True Wireless<sup>™</sup> devices

A study has shown

up to **8dB**

improvement in hearing performance in noisy environments using the Cochlear Wireless Mini Microphone<sup>4</sup>

DISCREET

The world's

**SMALLEST & LIGHTEST**

off-the-ear cochlear implant sound processor<sup>5</sup>

In a clinical trial,

**85%**

of recipients rated the **comfort** of KANSO to be better than their behind-the-ear sound processor<sup>3</sup>

“ With KANSO there is no stress for us while our daughter runs, jumps, dances or plays. ”

Dan and Tasha S., parents of a KANSO Recipient

“ My self-esteem has gone through the roof with KANSO! ”

Alison V, KANSO Recipient since 2015

“ Now I've experienced the life-changing benefits of KANSO, I know off-the-ear processors are for me! ”

Dianne L, KANSO Recipient since 2015
